- E. It is the practice to give a personal gift to the International representative and other Delta Kappa Gamma members who address major functions without further remuneration. The money comes from the convention budget. The selection of these gifts is the responsibility of the State President who may in turn delegate it to someone else. Nonmembers who are major convention speakers, who receive Honoraria, shall not receive personal gifts.
- F. Beginning with the 1984 convention, an attendance plaque is awarded to the chapter having the highest percentage of its membership attending. An individual plate inscribed with the chapter's name and the year is added yearly. The chapter retains the plaque for the next year, but must return it to the State for reissuing at the following convention.
- G. Since 1998 an Appreciation Award may be presented during the convention to honor a member who has served OSO for many years in a number of State offices and committees, but never has served as State President. The identity of the recipient is not released until the announcement and the award of a certificate and keepsake are presented. The State President selects the recipient and the time of the presentation may vary.

## **APPENDIX II - TRADITIONAL PRACTICES REGARDING TYPES OF TRIBUTES**

### **A. Memorial Tributes**

In case of death of State or International officers or their immediate relatives and State Honorary Members, appropriate acknowledgment should be made by Ohio State Organization.

While customs, cultural differences and wishes of families vary, the following are suggested guides:

1. Floral tributes may be given or memorial contributions may be made to a Delta Kappa Gamma , Ohio State Organization or Alpha Delta State Ohio Education Organization fund in case of the death of a past State President or the death of a current State or International officer or her immediate relative.
2. Cards or notes of condolence may be sent in case of deaths of past State officers or their immediate families or past International officers.

The State President or the treasurer may authorize expenditures for memorial tributes. These recommendations are made to serve only as guidelines, not as rules.

### **B. Gifts**

Over the years it has not been the practice in Ohio State Organization to give personal gifts to Ohio State Organization officers. However, the State President and others have been honored in other ways.

### **C. State President's Pin**

The State President is honored by the presentation of the State President's pin. It is appropriately presented to her at the State Convention when she is installed as State President. The treasurer is responsible for ordering the State President's pin and guard with the highest quality from International. The in-coming State President may elect to receive a retired pin, if available, that she may choose to keep.

### **D. Special Contributions**

Special contributions to projects of Delta Kappa Gamma have been made from time to time by Ohio State Organization in honor or memory of Delta Kappa Gamma State Personnel.

### **APPENDIX III - TRADITIONAL PRACTICES REGARDING OHIO FUNCTION AT INTERNATIONAL CONVENTION AND REGIONAL CONFERENCES**

During the International convention or Regional Conference, the Ohio State Organization may arrange an Ohio function —a breakfast or other gathering—for all Ohio members in attendance. The nature and the time of this function must be governed by the schedule and policies of the particular function. The State President is responsible for the arrangements and plans for this function. She may delegate the responsibility to one or more of the other officers.

### **APPENDIX IV - TRADITIONAL PRACTICES REGARDING GOLD KEY AWARDS**

Beginning with the 1983 convention, the Gold Key State incentive award is given to chapters who meet the criteria. Recognized chapters are awarded a certificate of achievement. The presentation of any token emblematic of the chapter's achievement for distribution to members of recognized chapters, in attendance at convention and/or presidents of honored chapters, is at the discretion of the Gold Key Coordinator.

### **APPENDIX V - TRADITIONAL PRACTICES REGARDING OFFICIAL CHAPTER VISITS BY STATE OFFICERS**

- A. Each chapter is to have one visitation from an Ohio State Organization elected officer or a past State President. The State Officer visits to observe, review and assist local chapters carrying out the work of the society. This includes a meeting with the chapter Executive Board and other committees as necessary. The State assumes travel expenses for the visit for only one visit per chapter per biennium. The chapter should assume hospitality costs during the visit.
- B. If chapters request a State visitor for a joint meeting, the visitor's expenses will be paid by the State provided the official visitor has a major involvement in the meeting.

### **APPENDIX VI - TRADITIONAL PRACTICES REGARDING STATE SERVICES TO CHAPTER AND MEMBERS**

1. The State pays the luncheon expense of the chapter president or her official representative at the time of the fall meeting of the Executive Board, when held face-to-face.
2. The State no longer pays the luncheon expense for the current chapter president or her official representative when she attends the Executive Board meeting at the State convention.
3. From time to time the State Executive Board approves the payment of the cost of certain Society publications for each chapter.
4. When a chapter invites the legislative advocate as a guest speaker, the chapter assumes all expenses for her visit.

### **APPENDIX VII - STRATEGIC ACTION PLAN (SAP)**

*The Strategic Action Plan* for Ohio State Organization was developed during the 2011-2013 biennium. The purpose is to design a future view for State operations and longevity. It includes areas of focus or topics, objectives or goals and activities or actions to be taken to achieve the goals. It assigns those activities to particular individuals and/or committees. Progress is evaluated as accomplished, in progress new, revised, ongoing or deleted.

1. Committees and individuals involved in the areas of focus develop and submit their input to the SAP Committee.
2. Any member may request an area of focus or objectives to be addressed in the SAP.
3. Ohio State Organization President, along with the SAP Committee, determines who is best to design or add to objectives and activities.
4. The SAP is reviewed and updated annually.
5. Review and update of the SAP is communicated with the membership annually.
